And some of the upgrades were sort of repackaging of existing tools As with so many others, looks like a paid upgrade every year.. What Is A User GuideIt doesn't cost you a penny more, but it does help to support future articles like this.. Discount Offer Save $10 on select Skylum (aka Macphun) products when you use the coupon code RONMART This offer does not apply to pre-release products until after they are released, so Luminar is excluded at this time.
